## To All Capital Power Corporation CSU 52 Members

---

As you know, we recently ratified a one year agreement that expires on December 17, 2011. Negotiations will be opened soon and therefore it is time to elect your Negotiations Committee.

The Negotiations Committee will consist of up to two (2) elected members from our membership at Capital Power Corporation. The Contractual Unit Representative for Capital Power Corporation, Kevin Parry, will also be a member of the Negotiating Committee.

The procedure for nominations and election of the members are as follows:

A form to nominate a member for the Committee is on the back of this memo. Anyone interested in being nominated or nominating a fellow employee must ensure the forms are completed and sent to the Union Office. Completed forms can be sent to the Union office by mail to the address in the letterhead above, faxed to 780-479-7975 or by scanning and emailing the form to [info@csu52.org](mailto:info@csu52.org). Forms must be received at the Union office by 4:30 p.m. on **October 6, 2011**.

Nominations will be compiled and the membership will be notified.

If more than two (2) people are nominated, a vote will occur on October 13, 2011. We will send out the time and location of the vote at a later date. It will be imperative that every member who votes bring their green membership card. If you do not have a membership card please contact the union office before October 12, 2011 so cards can be issued prior to the vote.

The Negotiations Committee members play an important role and the responsibilities taken on by each individual will directly contribute to our success at the table.

This is an important year and an important contract. We will require a committed Negotiations Team and a supportive membership. We encourage you to get involved.

Darren Chivers  
President
