Civic Service Union 52 Negotiating Committee for the City of Edmonton Bargaining Unit –

Information taken from the March 2011 Minutes for the CSU 52 General and Executive Meetings

From the March 2011 CSU 52 General Minutes:

The committee has 2 more scheduled days to continue working on our proposals. We are presently doing research comparing various collective agreements for issues that members have identified as high priority. We will exchange proposals with the City on March 23, 2011. I have been in touch with our Benefit Consultant, Chris Morris, and he is in the process of getting the required information from the City in order to provide us with the recommendations regarding our Health Benefits.

From the March 2011 CSU 52 Executive minutes:

We are currently doing research to back up our proposals; and are meeting with the City on March 23, 2011. We have heard back from the Health Benefit Consultant (Chris Morris) and we should receive his recommendations within the next month. After proposals are exchanged with the City it will be shared with the Executive Board.

In solidarity,

Therese Doucet (City of Edmonton Bargaining Representative)
