## **Civic Service Union 52 Negotiating Committee for the City of Edmonton Bargaining Unit –**

### **Information taken from the May 2011 Minutes for the CSU 52 General and Executive Meetings**

#### **From the May 2011 CSU 52 General Minutes:**

Since my last report at the General Meeting we met on May 19. We also met all day today for negotiations. We signed off a number of “one off issues” and discussed a number of issues from both the Union and City proposals. We made a decision around what we will have on our next meeting agenda. The mood is still quite cooperative even though we have started to discuss more contentious issues. Our next meeting will take place next Tuesday, May 10, 2011.

#### **From the May 2011 CSU 52 Executive minutes:**

We had a meeting today. The committee will be meeting again on May 17, 2011 at the Union office. We will be reviewing the Chris Morris report. We attended a presentation by 311 on Scheduling and Teleworking (offsite work locations).

In solidarity,

Therese Doucet (City of Edmonton Bargaining Representative)
