RE: Further information on Mediator's Recommendations

Further to our September 20, 2011 communiqué, EPCOR has advised that they have accepted the mediator's recommendations.

If you vote **YES** to accept the recommendations, the proposed Collective Agreement will be ratified and we will have a 3 year deal expiring December 13, 2013.

If you vote **NO** to the recommendations, there will be a 14 day cooling off period and the next step in the process will be a strike vote.

The choice is now yours and we encourage you to attend the information sessions and vote on the proposed collective agreement. The summary of proposed changes and the full document outlining all the proposed language changes are available on our website.

Please be advised that neither your negotiating committee nor the Union office will be answering specific questions between now and the information sessions. If you wish to email our Chief Negotiator, Tamara Chivers, at tamara.chivers@csu52.org, she will be compiling questions to be sure they are answered at the information sessions.
