To All TELUS World of Science-Edmonton

CSU 52 Members

Did you know that your Collective Agreement at the TELUS World of Science-Edmonton expires on December 31, 2011? The current Collective Agreement must be revised and formal negotiations may be opened not more than 120 days nor less than 60 days prior to the expiration date of the Collective Agreement. We will be serving notice to the employer to commence negotiations.

The procedure for nominations and election are as follows:

A form to nominate a member for the Committee is attached. Anyone interested in being nominated or nominating a fellow employee must ensure the forms are appropriately completed and returned to the Union Office by 4:30 p.m. on **October 6, 2011**.

If there are more than two (2) nominees a meeting will be held on October 14, 2011 at 4:45 p.m. at the TELUS World of Science-Edmonton to elect two (2) members to the TELUS World of Science Negotiating Committee.

Please remember to bring your yellow membership card in order to vote. If you do not have a yellow membership card, please contact your Shop Steward or the Union office prior to October 14, 2011.

Once the Committee is elected, a survey will be distributed to all TELUS World of Science-Edmonton members to assist the committee in identifying the issues that are important to you.

The Negotiations Committee members play an important role and the responsibilities taken on by each individual will directly contribute to our success at the table. This is an important responsibility. Please get out and get involved.
